GRAND KNIGHT'S MESSAGE

My Dear Brothers in Christ,

As I addressed those of you who attended our last business meeting I wanted to congratulate all of you on the hard work from this past year. We did do some amazing things in the area of our charitable works and goals. Now as we look upon what was accomplished there is still a lot to do this coming year (2013-2014). I would like to again outline what we would like to focus on as a council for this coming year, but before I do that I want to give a special focus on my Deputy Grand Knight who has decided to help us out in other areas.

Dave Albee and his family have been a very significant part of our council for several years now. I have worked with both Dave and Linda in council and outside activities having enjoyed every minute of it. During Dave's tenure as DGK he has gone above and beyond the call of duty for that office. In our meetings he has added his past knowledge of various positions with our council including 4th degree to our discussions. Now that he has accepted a position with MCC in the area of our Hall Maintenance he will be quite an asset to us in that area. I trust when you see Dave you wish him well in this endeavor.

The Supreme Council has outlined for us in a booklet what charitable areas that they want us, as Knights, to get involved in. As a refresher I will briefly listed some of them. First of all these are broken down into Service areas of: **Church, Community, Council, Family, Culture of Life, and Youth.** All six of these are featured on the Columbian Award specifications. So here is a small item for each of these: **Church-RSVP, Community-Habitat for Humanity / Global Wheelchair Mission, Council-Special Olympics, Family Activity-Food for Families, and Culture of Life-March for Life/Ultrasound Initiative, Youth Activities-Coats for Kids.** All of these plus many more we can and should be involved with. How many extra areas can you think of that we can do as a council to involve ourselves in these areas?

This coming year I see more needs arising as time goes on. I know that we cannot solve every need however we must strive to keep going as well as increasing our scope of involvement within the community. This goal does not necessarily mean all monetary contributions but also your time, talent and treasure toward it. I also want to see more of our 400+ members involved in one of these endeavors. Just a little time out of your weekly schedule to help someone else who is in need. Maybe even involve your family in this as it is a great way to not only pass along something that can be repeated time and again but also teach to your children's children. We really need everyone's help to get all of our members involved in one way or another.

Lastly with the Knights you and your family need to pray for not only our Pope(s) but also our leaders that they can have the foresight and fortitude to keep our country safe and keep it on a moral course for all of us. Get ready as more to come this year!

God Bless,

Mike Antonelli, Grand Knight 5390

Knight of the Month: Our Knight of the Month is Scott Conrad. He and his wife Lisa live on the NE side of Cedar Rapids. They are active members of St Joseph's parish in Marion. Scott, over the past three years has been the coordinator of the kitchen staff for our Fish Fries. He has done a remarkable job in making sure that the slots are filled. He has worked all of the stations and is very adaptable in all of them. He has also worked our Pancake breakfasts and has invented the Mickey Mouse look-a-like pancake which is a big treat for our younger participants.

Family of the Month: Our Family of the month is Chris and Terri May. They are members of St Pius X parish. Chris works for a local laboratory as a tech and Terri works for Rockwell Collins in their accounting department. They are actively involved in their parish both now and while raising their children. Chris has been a member for several years involved in not only the PID drives but a mainstay in the kitchen during Fish Fries. They are expecting their 1st grandchild very soon.

DIACONATE ORDINATION

On July 20, eleven men will be ordained to the Permanent Diaconate for the Archdiocese of Dubuque. Five are from the Cedar Rapids-Marion and surrounding area: Dennis Ternes of Marion; Frank Easton and John Winkel of Cedar Rapids; Mark Sandersfeld of Ely; Steve Ford of Center Point. Council 5390 is providing financial support to three that are affiliated with the parishes our Council supports. While this ministry is primarily one of service, deacons also help the local parish by assisting at the celebration of the liturgy and the sacraments.

Let us offer a prayer of thanksgiving for these newest deacons and that God bless them in their new ministry to the Church. Please keep them and those in the diaconal formation process in your prayers. There are two other diaconate classes-of nine and eleven men along with their wives-currently in formation. The wives attend all classes and complete the same class work and so are very much part of the formation process. They are in need of our prayers as well for the support they provide to their husbands.

While we thank God for all religious vocations, let us pray for an increase in vocations to the priesthood, religious life and the Permanent Diaconate.

Vocations Chairman*

PANCAKE BREAKFAST CHANGES

Gentlemen,

As most of you have heard, St Pius has changed Mass times beginning July 6. The Sunday morning schedule is 8:30 and 11:00. This will affect our breakfast schedule. For the July breakfast we will keep the old schedule to see what happens.

I am working on tentative future schedules. After some discussion, it was decided that one slightly longer shift would work better than two shorter shifts. We will have more workers on the one shift but fewer total workers for the day. That means fewer times working during the year. We are planning to serve from 8:00 to 11:00 am. Some of you will not like getting up early while others may not want to stay a little later. With everyone working together we should be done before noon. The cooks should arrive at 6:45 am to make sure the eggs are done in time. All other workers would arrive at 7:15 am to make drinks and set up the tables. There should still be time for everyone to enjoy the camaraderie before the customers arrive. Some of you will be able to go to mass at 8:30 am and return to work before the customers.

Please send comments to: fpstull@aol.com

HOLY HOUR AND KCANS4LIFE

The USCCB (US Conference of Catholic Bishops) has asked us to pray the Rosary daily, fast on Fridays (yes even after Lent), and participate in Monthly Holy Hours for our Nation for the intentions of Abortion, Marriage and Freedom of Religion. With our normal monthly pickup of cans for Kcans4Life, which benefits Bridgehaven's Crisis Pregnancy Center Ultrasound operation, we have instituted a Holy Hour to be in solidarity with our Bishops. Remember to bring your cans to the Holy Hour! Also bring your cans to the monthly business meeting.

KINNICK STADIUM IN IOWA CITY

Council 5390 has a fund raising activity providing security at Kinnick Stadium (Press Box/ ticket taking/ ushering). Our Council is to supply from 20 to 50 volunteers at each home game. Anyone 18 years or older & trustworthy may volunteer. Leave five hours before kick-off and return five hours after kick-off. Please contact your KC leadership to help with this worthy cause. This year, I will be reaching out to other councils to increase our numbers at each game. The earlier I know how many 5390 members can help, the higher likelihood we can keep the sweet deal in the press box to 5390 members.

Please contact Pat Gibbs "ASAP" to express interest: the.patrick@usa.net or c.210-1920. Helping at all, one, two, or more game day Saturdays this fall helps a lot. The home games are: August 31, September 7 & 21, October 5 & 26, November 2 & 23.

GARAGE SALE

As you may have heard, Council 5390 is trying a new venture this summer; a garage sale. The reason is to generate funds so that we can keep up our level of charity to our churches, schools, and community. Dates are: Donations taken; Mon. - Wed. July 13 - 15 (noon) Sale; Wed. (evening) July 13 - July 17, Sat. (noon) I will need a lot of help, especially from wives for clothes and pricing. I am also wondering if we can generate enough items to sell just from our membership, or if we have to go to one of our parishes and ask for donations. I need your help and advice on this. Items we will sell: Clothes, toys, tools, lawn and garden equipment, pet equipment, lawn furniture, etc.

If you have things to donate, please contact me at mries56511@mchsi.com or call me at 363-3347.
