

John R Gallagher Assembly 3180

April 2012

Brother Sir Knights,

Welcome the 6 new members to our Assembly – from Council 5390 Wayne Null, Steve Freemon, Steve Sawyers, Lonnie Curry, and Kasey Keleher; from Council 1791 Rick Delagardelle. The exemplification, banquet and dance were well attended. Special thanks to our Faithful Friar, Father Wayne as the honoree for the degree.

I would like to thank all who participated in color guard events this past month. The St. Pat's parade, Annunciation mass and the mass at Xavier with Archbishop Hanus do provide an excellent opportunity to show the community and other Catholics what we are about. This month affords 3 more opportunities. We have been asked to participate in ceremonies at the Special Olympics at Coe College, Father Wayne has asked that we be present for Confirmation in Coggon and there is an honor flight for WWII vets scheduled for the 24th. I have not received confirmation on details of the honor flight, but as in the past, we will leave after our meeting. Remember, just because you do not have regalia, you can still participate.
