

John R Gallagher Assembly 3180

July 2012

Brother Sir Knights,

This past year was one for me to remember. I want to especially thank all Sir Knights who have supported me and helped when Michelle was hospitalized, her wake, funeral and continuing support. This was also a year for me to remember for our assembly. I knew that we had been involved in a large number of color guard events so I went back and totaled them. Our assembly participated in 34 events where we had at least one Sir Knight in regalia with total participants of 165. A breakdown follows events/participants: Patriotic – 9/45; Wake/mass – 6/32; Mass with Archbishop/Bishop – 7/41; Other masses – 8/36; Miscellaneous – 4/11. At nearly all of these events, we have received many positive comments and thanks for our participation. Now you know why I am proud to be your Faithful Navigator and proud of what the Knights of Columbus means to our faith and to our country. I was also told to pass on from our Vice Supreme Master John Kasper his appreciation for all that we are doing.

The new year doesn't slow down. On July 4th there is a flag disposal in Anamosa. If you are able to attend, please contact me. Sunday July 8th is the Silver Rose at Immaculate Conception. These are the only color guard events to date in July.

Installation of officers will be at the Marion Council hall on Sunday July 29th. The agenda is mass at 5pm followed by a pot luck meal and then installation. If you haven't been to a 4th degree installation, it is quite different than the 3rd degree. It is well worth attending and mass does count as our weekend obligation.

COLOR GUARD EVENTS

Honor Flight June 5th – Roy Tangeman, Dick Makinster, Marcus Lawrence, Jerry McNamara, Merle Akers
