

John R Gallagher Assembly 3180

August 2012

Brother Sir Knights,

Thanks to all who attended the installation of officers last month. As usual there was more than enough to eat from the pot luck meal. On another note, the flag disposal at Anamosa was cancelled due to health concerns as it was approaching 100 degrees at the time of the disposal. The Silver Rose ceremony was conducted following the Spanish mass at Immaculate Conception. There was good attendance especially from the Hispanic community with the ceremony being conducted in both English and Spanish.

My goal for the coming year is to add to membership and continue to expose our parishes and communities to who we are and what we stand for. With that in mind, there are two 4th degree exemplifications this fall (Saturday October 13th in Des Moines and Saturday November 10th in Davenport). Ask someone who you think would be a good candidate and let Dick Makinster or myself know to help with arrangements.

There are no color guard events this month. The next scheduled event is another honor flight on September 18th. There is also an honor flight being planned for October but not confirmed at this time. Please let me know if there are times when we should have an honor guard present, as I am not aware of events in all parishes and communities. Remember that we do not require you to have regalia to participate in these color guard events.

COLOR GUARD EVENTS

Silver Rose – Immaculate Conception July 8th – Roy Tangeman, Marcus Lawrence, Jim Ford, Leon Hartogh.
