

John R Gallagher Assembly 3180

June 2013

Brother Sir Knights,

Thanks to all who have participated in recent events. The thanks and appreciation that we have received from Archbishop Hanus, Archbishop Jackels, our parishes, and our veterans only helps us to reinforce our constant support of the principles of the Knights of Columbus.

As we approach Independence Day, we have again been asked to participate in the Fortnight for Freedom. If you are not able to attend a scheduled event, please pray the rosary during the 2 weeks prior to July 4th for our freedom to practice our religion in this country.

In one of my last official acts, I have scheduled the Installation of officers for the coming year on Sunday July 7th. We will begin with mass at 5:30 followed by a potluck meal and installation.
