

John R Gallagher Assembly 3180

November 2013

Brother Sir Knights,

O what fun it is to get a new computer and to try how to get where you want to get. Does that make any sense? It has been a slow month for the Sir Knights. We had one Honor Flight on the 16th of the month. They must be getting better at unloading when they arrive in Cedar Rapids. It was the earliest we were able to leave the Airport. We have a few things coming up in November. The 10th of Nov. we will be providing an honor guard for the Archbishop at St. Joes Church in Marion and then going to St.Pats church in Cedar Rapids for the Annual Chalice presentation. There also will be a 4th Degree Social in December. The Social will be on the 15th at 5390 hall. It will be potluck at 6:00PM.

Happy Holidays to everyone and hope as many can make to the upcoming events.

*Vivat Jesus,
Dick Steele
Faithful Navigator*
