Sir Knights,

There is no regular newsletter this month. Activities in January were limited. I have listed a couple of upcoming events to keep in mind. If you have not decided whether to attend the Valentine's Day social, see the details below. It should be a good time with brother Sir Knights.

There will be a 4th degree exemplification on Saturday March 15th at St. Pius X. The exemplification begins at 2pm, followed by mass, banquet and dance. We do need a number of Sir Knights in regalia for the exemplification. Banquet tickets are \$20. Please let Dick Makinster or Roy Tangeman know if you plan to attend the banquet and if you have a candidate. The details are attached. Encourage potential Sir Knights to join us.

The Valentines Day formal social is a joint social with the other 2 assemblies in the Cedar Rapids area. It will be Friday, Feb 14 at Council #5677 opening at 5:30PM There will be appetizers at 6PM and will eat at 6:30PM. Meal catered by Ruzicka's serving Prime Rib, chicken breast, party potatoes, green bean casserole, salad, roll, dessert for \$17.50/hd. The Club will handle a cash bar as well. Sampson will handle payment to caterer and collecting at door. This should be a real nice night out for our ladies. We'll try to work in some door prizes, etc.

Please get your reservations in by Monday, Feb. 9.

Please contact Dick Steele 373-2744, Roy Tangeman 462-2129, or reply to this email if you plan to attend.

I suspect the cool temperatures have kept us inside so plan to take the opportunity to get out and enjoy a meal with brother Sir Knights and spouses. The word from above is that the weather will cooperate for us.
