

John R Gallagher Assembly 3180

April 2014

Brother Sir Knights,

We have finely made it to Spring. I was beginning to think it would never arrive. The month of March was somewhat busy for the 4th Degree men. We had an exemplification on the 15th of March at St. Pius Church. There were 31 men who joined or ranks. Those men from Gallagher Assembly 3180 were Randall Beelner, Robert Bruckman, Edmund Dettmer Jr, Jay Kacena, Douglas Luke, Robert Capron, and Deacon Dennis Ternes. After the exemplification there was a mass and following the mass we had a social hour and supper. If you have not been to an exemplification for awhile you should go and witness what it is about. I found it very interesting.

On the 17th which was St. Patrick's Day there were 6 members who marched in the parade in downtown Cedar Rapids. There was to be members in the St. Joseph's parade but was cancelled since there was not enough participants. On the 24th of March we did an Honor Guard at the Feast of the Annunciation at St. Wenceslaus.

The hall at 5390 still has two more fish fry's before the end of Lent. If you have not attended one, they put out an excellent meal.

We have a number of things coming up for April so check the calendar below.
