

John R Gallagher Assembly 3180

June 2014

Brother Sir Knights,

The month of May started out with the K. C. Convention in Des Moines. I went to the afternoon session on Friday afternoon. They had inducted about 92 men in the Friday Exemplification. I don't think we had any of our members take part in this session. If you have not attended an Exemplification in the last few years you should do so as it is quite impressive and educational.

On the 20th May we held a 4th Degree Social in Central City. We had Mass at 6:00 PM proclaimed by Fr. Dressler. Following Mass we had an excellent supper catered by fellow from Coggon who makes very good potato salad. The speaker we had was very good and informative. Her name was Marilyn Schneiderman who is Director of Client Advocacy. She is with Bridgehaven Pregnancy Support Center. She explained what her job was about and how they learn how to handle some of the situations that encounter.

On the 21st we had another Honor Flight at the Cedar Rapids airport. I know we had a good number of knights attend. I was playing with the New Horizon Band and I saw some new Knights that I had not seen before. Again if you have not made one of these Honor Flights you should schedule one because it is something to meet the men who partake of these. I think the next one will be in September. If you planned to go be prepared for it to be a late evening. It is about midnight before you get out of the airport.

On the 26th we celebrated Memorial Day. Again I was at the ceremonies at the Ball Park but the Knights of Columbus were at a number of Cemetery's in Cedar Rapids and Anamosa. Well that about takes care of the month of May.

I do not have much to report for June. We will have a meeting the 24th of June.

*Vivat Jesus,
Dick Steele
Faithful Navigator*
