

# John R Gallagher Assembly 3180

January 2018

Mark down Tuesday, January 23rd. That's when the Rev. John R. Gallagher Assembly meets at the Marion Columbus Club (A.K.A. KC Hall). [We start with the Rosary at 7:10 and the meeting starts at 7:30.](#) Stick around after the meeting for snacks and fellowship.

You can pay your \$25 dues at that time. \$15 goes into our Chalice Fund. \$5 goes to the District Master for expenses to put on 4th Degree Exemplifications and Installation of Officers. The remaining \$5 goes for assembly expenses and occasional charitable requests by Supreme.

Requests for the new uniform which replaces our familiar regalia poured in around the Order causing a delay in delivery to most of those ordering. Partly because of the delay, Supreme has extended to June 30, 2019 in which regalia may still be worn.

I received an email from Knightsgear when they were shipping my uniform. A couple days later, UPS emailed me when to expect my uniform along with a tracking number. For you snow birds, watch your emails. Have a neighbor pick up your uniform or call me and I'll pick it up. For those of you who ordered your uniform in October, you will be called for credit card info when your uniform is in stock. If you are away from home, use a neighbors address or use my address for delivery. My address is [2345 McGowan Blvd, Marion, IA 52302](#). Of course, let me know. Phone 377-2391

Our Assembly voted at the August meeting that the uniform, regalia or tuxedo could be worn in any Honor Guard until the expiration of the regalia.

While we were shocked and had misgivings about a uniform replacing our regalia, we realized that if we wanted to be in the Honor Guard, we would need the uniform. With Supreme offering a 25% discount, 29 of you ordered the uniform. 13 had never had regalia. Those ordering the uniform are:
