

# John R Gallagher Assembly 3180

**October 2018**

Our annual September Social in Anamosa was a huge success as Melinda Englebart secured Grounds and Goodies to hold our social since the winery we held previous socials had been sold. Between Melinda and Faithful Captain, Brian Hurt, 36 Sir Knights, wives and guests enjoyed ample helping of beef, chicken and all the fixings ending with large slices of pie and ice cream. Wine supplied by the assembly provided a nice social before the meal. Special guest, Fr. Nick March, gave a nice talk about our support of seminarians as well as the current problems within the Church.
